The LOG Bus Stop

You may have noticed an addition to the property at the Merchants Way entrance.

The goal: add a covered space for the students of LOG to use while waiting for the bus in the morning.

The LOG bus stop is completed and ready to use. It is our hope the students will appreciate and take care of this area. There is a bench inside the glass enclosure and a trash can located outside the enclosure. Take a photo at the LOG Bus Stop of you student of any age and share with me at manager@logapts.com.
